**Section –D Literature Section – 11 questions**

**Section – A ( Reading Section )**

**1. Read the passage carefully and answer the following questions :-**

Now a days , more and more people want to keep fit. Fitness is the key to health and happiness. To be fit you need to eat well and do a lot of physical activity. If you don't exercise properly you may become overweight which can cause health problems. If you are fit , your mind also works well. You feel good , and can do all the things you want to do like play and swim. If you are fit , you will also do well in studies.

To stay healthy , eat a variety of food , especially fruits and vegetables. Different types of food supply you with the nutrients that your body needs. Do not over eat. Drink plenty of water . Cut down on watching TV and eating fast food. Do a lot of physical activities . Follow all these things and you will remain fit for life.
